Dear [REDACTED]

HMICS Freedom of Information Response – FOI.26.00019

I refer to your request dated 2nd September 2026, under the Freedom of Information (Scotland) Act 2002 (FOISA), for the following information:

"I'd like to request the letters that Craig Naylor is on record (Friday 28th July) as saying he was sending to Police Scotland and the Scottish Police Authority over their recent handling of the Alan Greer case. Given the work involved to recover these letters will be minimal, I would humbly request that my request could be expedited, and that the letters are released to me as soon as possible, rather than waiting for the full legal 20 working days duration that HMICS is entitled to"

I have attached the requested correspondence sent from Craig Naylor to Police Scotland and the Scottish Police Authority.

I trust this information is satisfactory for you, however, if you are unhappy with this response you may ask us to carry out an internal review, by writing to the address shown on this letterhead or by emailing HMIC@hmic.gov.scot. Your request should explain why you wish a review to be carried out and should be made within 40 working days of receipt of this letter. We will then reply within 20 working days of receipt of any such letter.

You then have a right of appeal to the Scottish Information Commissioner if you are dissatisfied with our internal review. The Commissioners website has a guide containing the full details for this process (www.itspublicknowledge.info) or they can be contacted via the following:
